- Welcome and Opening Prayer

Thank you, Father, for having created us and given us to each other in the human family. Thank you for being with us in all our joys and sorrows, for your comfort in our sadness, your companionship in our loneliness. Thank you for yesterday, today, tomorrow and for the whole of our lives. Thank you for friends, for health and for grace. May we live this and every day conscious of all that has been given to us. Amen.

- Can possibly get grandparents involved as well with an email

New Business

- School gets 10% of money spent
- Box tops – Will look into sending in for March cutoff. Might also need to get some from Patty Freeman. Still getting the \$ from online uploads.

- All the conference goodies were a hit! Zoom conferences were good, just wished they were longer.
- For Amazon giving tree – gifts can either be mailed to school or to a person's house and then brought to the school.
- Upkeep of the filling station for the filters? Who would be in charge of purchasing and replacing the filters? Question for Mrs. Conlon.
