Small Business Saturday Special!

Pope Francis' visit to NYC was anything but small. It was grand and heartfelt at the same time! To celebrate Small Business Saturday we are offering a FREE gift bag for each item that you order. While supplies last each item will come with a gift bag. You can use the bag for many different things: it can be a gift bag for your items, it can a gift on its own, it can be a lunch bag, a bag to carry your shoes to work and many other uses.

To take advantage of this offer simply go to our site:

PopeFrancisNYC.org/store

anytime Saturday, November 28th and place your order for as many items as you would like. We will add the gift bags to your order manually.
