

Dear Parishioners,

The terms of four current members of our Parish Pastoral Council (PPC) come to an end in February and therefore we are seeking new members. Please read the description of the PPC and prayerfully consider submitting a nomination form.

The Parish Pastoral Council (PPC) exists to foster greater input and consultation between parishioners, the pastor and parish staff. This important body assists the pastor in discerning how best to carry out God's mission here at St. Pius. The PPC plans for the future of the parish in 5 key areas: worship, ministry, mission, small groups and personal holiness. The PPC works to make our parish vision statement a reality:

To form disciples, in and beyond Bowie, who joyfully live out the mission of Jesus Christ

What are the qualifications for a PPC member?

1. *Be a registered, active, contributing member of the parish who worships in person on the weekend*
2. *Be firmly committed to our parish's plan for renewal and future growth*

The PPC consists of 12 members with a variety of talents (such as artistic, administrative, communication, technological, social, and spiritual gifts). Our PPC reflects the rich diversity of our parish, balancing gender, age, race and culture. Twelve parishioners serve on the council for three year terms. The PPC meets approximately six times per year, one hour per meeting, on a Saturday morning.

Prayerfulness and listening to parishioners are two important attributes of good PPC members. If you believe you may be called to serve on our PPC, please complete the nomination form below. You may submit your form by email at pastor@spxbowie.org, by mailing the form to the rectory, or by dropping the form off in the Church Entranceway on the weekend. All nominations must be received by: **Sunday, February 22, 2026**

Sincerely in Christ,
