

PRESCHOOL NEWS--Weeks of April 19 & 26, 2021
Week 32 & 33

The year is winding down quickly! Almost too quickly for me! I have so much I want to do with the kids and not enough time to do the activities! We are working on wrapping up activities and getting ready for summer!

These last 2 weeks we have been working on letter sound recognition and thinking of words that start with those same sounds! The kids are doing so great at this! This week we did the Ss sound. They have a super list of /s/ words. Check out the FB page for the list!

We have reviewed and practiced writing the letters G, O, A, and C. The kids have been pretending to be in kindergarten by doing more work at the tables! They have been putting their skills to work by making books of their own. Several have thought of titles and drawn and written their books! They have shared them with staff. They are so proud of their work!

In Math we are working on length--shortest to longest and counting. We have used flowers and flower petals to do this! For counting, we played a dice game. The kids have to roll the dice and write the number. Then they have to place the appropriate number of petals around the circle that has the number. This is a hard task to complete all of these steps!

READ IT AGAIN: This week we read "The Very Sleepy Sloth" by Andrew Murray and Jack Tickle. This is where we worked on our /S/ sounding words.

CONFERENCES: Thank you for attending conferences! I always love meeting with you and telling you all of the wonderful and crazy things that we do in class. This year it has been especially wonderful!

END OF THE YEAR: Can you believe it? We are almost in April...that means that the end of the year is coming up! Our last day will be Thursday, May 13, 2021.

Only 8 days left! On the last day, we will be having some fun outside activities and eating a sack lunch outside! (Pray that the weather cooperates!)

To kick off the end of our year, we will be doing a color themed day each day!

Monday, please have your child wear something red! I am attaching the calendar for you!

The calendar and lunch menu will be coming home on Monday! Sorry for the delay! Monday's menu is BBQ Chicken on flatbread, cucumber slices, diced pears and milk.
