RYE'S RESURRECTION SCHOOL NAMED WESTCHESTER MAGAZINE'S BEST PRIVATE SCHOOL

'BEST OF WESTCHESTER' 2022 WINNERS FEATURED IN JULY ISSUE

RYE, NY – Resurrection School, a private Catholic school located in Rye, New York, has been selected as the “Best Private School” in the Readers’ Picks category in Westchester Magazine’s annual Best of Westchester contest.

“I am so proud for our school to be recognized as ‘the best in Westchester County’. Resurrection delivers an excellent Catholic education to our wonderful student body, with a rigorous curriculum taught by a dedicated, cohesive group of teachers, and a supportive community that makes our school stand out amongst others,” said Resurrection School principal GinaMarie Fonte. “Parents who are looking for an excellent, safe school where they prioritize relationships, should focus on these factors. A school like Resurrection embodies all these components, which is why we foster success.”

“Resurrection School proudly offers a culture and atmosphere of a traditional faith-based education, providing our students with a foundation of Catholic values,” adds Rev. Monsignor Donald M. Dwyer. “We are thrilled to receive this distinguished honor and thank our dedicated principal Ms. Fonte for her commitment and leadership, and our community of parents, parishioners, family and friends for their ongoing support of our Resurrection School, a school of excellence.”

There were over 300 winners named by the publication in this year’s Best of Westchester contest. Winners were announced in the July 2022 issue and online.

About Resurrection School:

For over 90 years, Resurrection School has been dedicated to a faith-based education that gives young students a solid academic background. It also provides them with a foundation of Christian values and a sense of responsibility in society. Resurrection is committed to developing, within each child, a genuine love of learning, while guiding each child to make intelligent and responsible choices. With this strong comprehensive academic curriculum, Resurrection School challenges our students but also inspires in them, a true love of learning.
