

1...2...3...4...We declare a Penny War!!

For our Lenten Service project, we will be doing a penny war for the entire month of March. All money raised will benefit a local family in need. The families story can be found on the back. Please consider participating in our Penny War and helping us in supporting this family.

Rules of the Game...

- ~Each classroom will have a collection bucket, along with the office and the church.
- ~Money may be placed in the collection buckets on school days from 7:30-8:00am.
- ~The buckets will be collected at 8:00am and counted. Totals will be posted daily.

How you earn points:

- * All pennies, dollars and checks are a **POSITIVE** amount for your class.
- * All silver coins are a **NEGATIVE** amount for your class.

Example: one class has \$5.00 in pennies and \$7.50 in silver. Their balance would be \$-2.50.

The goal is to put pennies, dollars and checks in **YOUR** bucket, and silver in everyone else's buckets to bring their total down.
