

## SACRED HEART YOUTH GROUP – Summer 2025

Dear Sacred Heart Youth Group families,

This summer we will continue to celebrate and explore the Jubilee Year of Hope! Through guest speakers and service opportunities we will respond to Pope Francis's instruction "to be tangible signs of hope for those of our brothers and sisters who experience hardships of any kind." What does it mean to be a tangible sign of hope? Let's spend the summer praying with this question and hearing from others what it has meant for them in their life, their work, or their ministry. We hope that this summer calendar excites you for a fun season ahead. Pope Francis said "looking to the future with hope also entails having enthusiasm for life and a readiness to share it." Through ice cream parties, slip 'n slide kickball, movie nights and more we hope to foster an "enthusiasm for life" that our youth can go out into the world and share!

In Christ, Your Youth Ministry Team
