YOU WERE MADE FOR MISSION

In a world that tells us anything goes, the truth of Christ's love, mercy, and redemption needs to be shared and lived out more than ever before. We are called to know, love, and share Christ in every moment of our lives. We were made for this mission.

SLS20 is a Catholic conference for anyone who wants to live as a true missionary disciple. The **NEW Making Missionary Disciples Track** at SLS20 is designed for parishioners, parish staff, working professionals, clergy and more who desire to delve deep into the vision of missionary discipleship today.

Step away from your routine and get a break from winter in Phoenix, Arizona, as we come together for a time of prayer, fellowship and formation. Hear from top-notch Catholic speakers and take the next step in your faith journey as you learn about how to help raise missionary disciples in your family, parish and community.
