

It's Trunk or Treat at SPX!

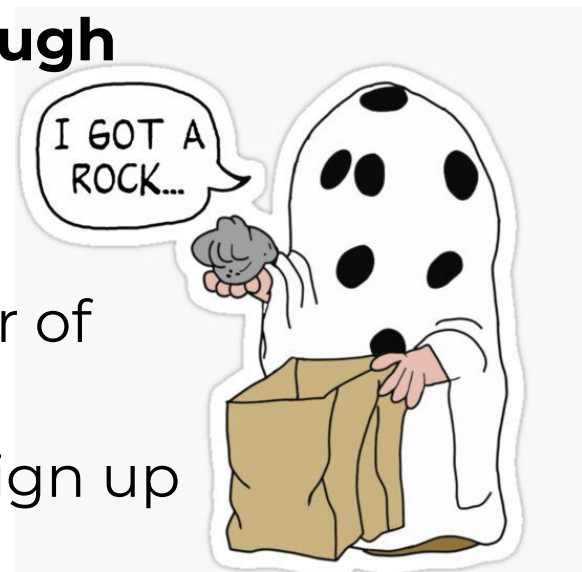

On October 27th from 5:00-8:03pm, join us at the SPX front parking lot for trick or treating! Each registered car will have a numbered spot where they will park and open their decorated trunk and give candy or other treats to trick or treaters! Registered cars will receive a wristband for entrance.

Each car will need to provide enough treats or prizes for each trick or treat. (Please, no rocks.)

An email will be sent closer to the event with an approximate number of children participating.

Each car spot costs \$5. Use the sign up Genius to register your spot!
