The Annual Wildcat Soccer Skills Clinic is designed to improve the necessary foot-skills and techniques that will help your son or daughter's with confidence on the field and knowledge of the game going into fall soccer at St. Ignatius. Concentrating on the basics like dribbling, passing, receiving and defending will help your child start off the year right and give him/her the proper building blocks for continued development and success.

The clinic is only available to incoming 1st thru 8th grade boys and girls that are members of St. Ignatius parish.

Volunteers needed for check-in, setup, and Trainers and Coaches

Contact Allison Slade, 513-365-4087 or saintisoccerclinic@gmail.com

with questions or to volunteer. Fall soccer coaches are strongly encouraged to volunteer and assist in training.
