

Dominican Sisters of Houston

February 17 – 18, 2017

At the Heart of Faith, Religion & Spirituality is **RELATIONSHIP**

- with God
- with self
- with others

Dominican preacher and musician, Fr. Jim Marchionda, invites us to widen our spaces. Join in this refreshingly creative presentation of word, preaching, story and song. Plan to ponder, to laugh, to sing and finally, to walk away with a broader perspective than the one you came with.

Fr. Jim is a Dominican priest, preacher, composer, conductor, singer, and woodwind instrumentalist who offers parish missions, workshops, and concerts throughout the United States and abroad. He currently serves as Prior Provincial of St. Albert the Great (Dominican Central Province).
