

SPO AT OHIO STATE

Alleluia, He is Risen!!!

John Paul Beguhl Easter Update

It is hard to believe that the school year is coming to an end. It really has gone by quick. The Lord has really been moving here at OSU and in my heart as well! The Lord has brought so much new freedom in my life this year and I think for the first time ever Matthew 11:30 has hit me on another level! So thank you Lord for giving me freedom. Like I mentioned before year has flown by and now my first year is coming to a close and summer training is quickly approaching. The year has definitely had its ups and downs and but the Lord has been transforming lives and moving in power so it makes it completely worth it! And I would not be here without you so once again thank you for all your prayers and support!

Here is a picture of a student in my mens group, Matt, he came with us to Yosemite and came on Fan into Flame and will be living in household next year! He is the student that I mention on the next page in the Fan into Flame section!

Men's Spring Retreats & Semester Highlights

On the weekend of April 8th - 10th we held our mens retreat! The focus of the weekend was the parable of the Prodigal Son. A couple men from the Servants of Christ Jesus came and gave the talks. It was a great weekend and the Lord moved mountains in men's hearts!

Some wins from the weekend:

- One guy went to Confession for the first time in five years!
- Another man listened for the voice of God for the first time and prayed that day for an entire hour.
- Lots of guys called their dads, forgave their dads, and were newly grateful for their dads. Father-son relationships are being healed!!

Trip to Arizona

A couple other missionaries and I took some students as well as our neighbor to Arizona to meet up with several other SPO chapters. Long story short our neighbor went to Mass for the first time in 6 years and enjoyed it!! Also another man that went with us was going to leave the church and after the trip decided not to! Praise the Lord!

Fan into Flame Retreat

A student in my mens group experienced the Lord in a new way as well as a deeper release of the Holy Spirit in his life! Here is what he said about it, "After I went on Fan into Flame it was like I had new eyes.

Now when I walk around campus I look for opportunities to improve other people's days, so I can be a light for others. I had learned too much about the joy of the Holy Spirit and wanted to share this joy with others."

Spring Break Trip to Yosemite

For spring break a total of 14 men traveled all the way to the beautiful Yosemite National Park in California. There were so many ups and downs to the trip from 10 cancelled flights to three feet of snow covering the trail but through it all we were able to stand in absolute awe of the majesty and grandeur of the Lord's creation. It was a great opportunity to grow in brotherhood and to invite other students that we have met this year into that as well. One of the men that joined us used to the trip to help discern what he will be doing next year after graduation and has decided to be a missionary with SPO next year!

Prayer Requests

- For the men and women in our small groups, that they would respond to where God is leading them in the upcoming year
- For summer break, that our community would continue to lean into the mission the Lord has for us
- The 4 students who are becoming missionaries with us next year.
- For 25 seniors we have graduating from our formation community
