

# **SPRING 2021 BOOK FAIR**

**APRIL 13-16 IN THE LIBRARY**  
**OPEN FOR SHOPPING TUESDAY-FRIDAY:**  
**7:40AM-8:00AM**  
**&**  
**3:10PM-3:45PM**

It's that time of year again. Time to stock up on books for summer reading! COVID is still hanging around so things are a little bit different in the Book Fair this spring. However, we are able to move back into the library and students will be able to enter the fair!

We will be limiting the number of shoppers in the library to help maintain social distancing. Those waiting to shop are asked to form a well-spaced line in the hallway. The fair will still be a **NO CASH** fair, as in the fall. Payment options are credit/debit card or eWallet (see [Fair Homepage](#) for more info and a video tutorial).

Middle school students may enter the fair on their own and may escort younger siblings. **Students in grades PK-5th with no middle school sibling must be escorted by an adult.** Students may shop in the mornings. Parents and families are asked to shop after school if possible. Backpacks are to remain in the hallway.

Can't make it to the physical fair? Check out the online fair. You can have books shipped directly to your house and still support our library! Click the link to visit our fair homepage and shop the virtual fair.
