Chris Jordan
President & Co-Founder

Proud Chicago Catholic school alumnus, having attended St. Barbara Elementary, De La Salle Institute (DLS), & DePaul University. Volunteer experience at DLS included National Honor Society, and Eucharist Ministry while being a student athlete. Volunteerism continued at DePaul as President of Pi Sigma Epsilon business fraternity. Chris and his wife, Jessica, chose St. Pius to offer their children the Catholic educational experience their parents provided them.

As President of the SPX Dads Club, Chris' goal is to strengthen the school community by organizing and operating affinity events, such as the upcoming Trunk or Treat, while also spearheading fundraising efforts to support capital improvements. His vision is to foster fellowship among families while ensuring lasting resources for future generations of SPX students.

Greg Cozzi
Vice President

Proud Hinsdale South High School and Augustana College alumnus, where he was a four-year varsity football letter winner and club rugby player. Greg grew up in the southwest suburbs, active in parish life at Our Lady of Mt. Carmel in Darien, and has remained committed to the values of faith, family, and community. Together with his wife Rebecca, they have chosen a Catholic education at St. Pius X for their children because of the school's commitment to academic excellence rooted in faith.

As Vice President of the SPX Dads Club, Greg's mission is to strengthen the St. Pius X community by supporting affinity events and spearheading fundraising initiatives. His goal is to enrich the student experience while fostering fellowship among families and ensuring resources for future generations of SPX students.
