Making Disciples and Disciple Makers

Hello to our Wonderful Families,

We are thrilled with the news that was released yesterday about the reopening of our schools in Ohio. We are certainly better together so we are very excited about our return in August.

We have established a Task Force Team that will meet regularly until this pandemic has completely passed. The following people have been assigned.....

Sally Mummey, Principal

Ed Watson, Vice Principal

Teresa Pishner, School Administrative Manager

Kristi Whitaker, 4th grade teacher

Barb Spangler, RN, CCM, School Nurse

Dr. Amy Meier, DO FAAEM, Parent

Merissa McKinstry, MBA, Deputy Director of Hospital Services Ohio Department of Mental Health and Addiction Services, Parent

Shannon Karrenbauer, Business Manager of the Parish and School

Donny Riggelman. Owner of Ace Carpets and our contacted cleaners for the school

We will be reviewing all information and guidance from the Columbus Diocese, Newark City Schools, Licking County Health Department, Ohio Department of Education, and The Center for Disease Control. We will develop a plan that best fits our needs for our building, staff and students. This Task Force Team will meet and make sound decisions about schedules, procedures, requirements, spacing, safety measures, and recommendations. We will then communicate all plans to our families through Flocknotes.

Finally, please know that we take the safety and well-being of your children very seriously. They are loved here.

Many Blessings,

Sally Mummey and Ed Watson
