## 16th Annual Martyr Marathon

### Online Fundraising

For our 16th Annual Martyr Marathon this year, we're using an awesome web based fundraising system that makes it **much easier** for you to request pledges from your family and friends, and for them to make secure credit card donations online. It's fun, it's easy, and people who use it typically raise twice as much as those who don't!

Remember, our 16th Annual Martyr Marathon is October 1, so please **register now** to help our school raise as much as we can for technology upgrades, school safety, teacher grants, student scholarships and much more. A significant portion will go directly to the school for continued security, technology and operational upgrades:

- Go to <http://pledgestar.com/Martyr>
- Click "Not Registered For This Year's Event"
- Enter your name and email address, then click "Submit"
- Follow the instructions on-screen to register students

When you finish, the system emails pledge requests to your family and friends, and allows them to make secure credit card donations online. You get notified each time a pledge is made, and you can track your pledge progress online.
