

HOLY CROSS

WEEKEND UPDATE

This Saturday and Sunday **Celebrate Our Feast Day at Holy Cross**

This Saturday and Sunday, September 12 and 13, we will celebrate **THE EXALTATION OF THE HOLY CROSS** at all our weekend Masses. On this day we celebrate the cross on which Jesus was crucified. Without the ultimate sacrifice of Jesus our brother – suffering and dying on the cross and rising from the grave, we would not have the promise of eternal life. There will be special feast day readings, songs and homily. Wear **RED** if you'd like, as a symbol of the blood our Savior Jesus Christ shed for all of us in claiming victory over sin and death. **COME, JOIN US!**

NEW Daily Masses Begin **Monday Through Friday This Week**

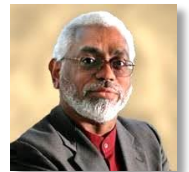

What a blessed opportunity to experience the Eucharist on a daily basis! Beginning this Monday, September 14, **daily Mass will be offered in the church chapel at 12noon each day.** Mass will be celebrated in English each Monday, Wednesday, and Friday. Mass in Spanish will be celebrated each Tuesday and Thursday. *Come worship the Lord, be with Him, love Him, and join with Him through the Eucharist each day.*

Bereavement Wishes

Please keep the family of *Gladys Paradeses* in your prayers as they grieve her transition. You may send expressions of condolence to 2509 Walnut Creek, Mesquite, TX 75181.

Holy Cross welcomes Deacon Denis Corbin as our Business Manager. ¡Bienvenido to our new parish staff member!

Online in English and Spanish: **Complete your Safe Environment Training Today**

Be sure to log-in and complete this year's Safe Environment training – all online, and available in both English and Spanish! *Staff and volunteers – we'd like you all to be Safe Environment cleared.* Follow these steps to complete your training now:

1. Go to dallas.setanet.org. At the top of the page in small type, click on "My Obligations."
2. On the My Obligations page, enter your first name, last name, and street address. ***Please be sure to use your legal name as it is listed in the Diocesan Safe Environment database. If you have problems finding yourself, try entering your old address BEFORE YOU CREATE A NEW RECORD.***
3. Click on "search" to find your information as it currently appears in the database. Update and verify your personal information, then click on "update information and continue" at the bottom.
4. You are now on the Welcome page. Under "Classes available to take online," click on the appropriate language for the "Sexual Abuse Awareness Training." There are videos and a 25-question test at the end. ***You must score at least 70% to be given credit for the test.*** If you wish, you may print the completion certificate; otherwise, the system will automatically show that you have completed this year's training. *Contact Lari, 214.374.7614 if you need assistance.*
