Welcome to Our New DRE

We welcome Jennifer Sperry to the St. Ann's staff as our new Director of Religious Education! A dedicated parishioner of St. Ann's for many years, Jennifer and her husband, Craig, are the proud parents of four sons. She recently retired from her role as a school principal and we are confident that her experience and leadership will be a tremendous asset in this new position. Welcome aboard, Jennifer!

Praying for Our Military Men & Women

As our nation's Independence Day approaches, let's make a special effort to pray for those in our military and their families. This week our parish will set up a special area in the Narthex next to our national flag for you to bring pictures of your loved ones and friends who are currently in the armed forces. This includes the National Guard. This special table will be up until the end of August. You can bring a framed or unframed picture (please print their name on the back of the photo) so we can see the faces of those for whom we need to pray who are so generously putting their lives on the line to defend us. May we always be grateful and may they be kept safe by humanity seeking the way of peace together.

Ready for More Construction Dust?

"No!" is the answer from most of us. In our construction fatigue, however, we'll still have some projects to complete. This coming week, our contractor will start on some engineer-mandated additions of columns to our current Parish Hall and Parish Office building. This will create quite a mess but our older buildings will gain about fifty years of additional usage by the parish. Stay tuned for the real possibility that the Parish Office will have to close on some days to make way for the reinforcement project. Also on deck are the following matters: newly constructed parking lots and light poles in front of the church as well as the entire east side of the parish property; installation of new windows in the Parish Hall/classroom building; McGivney Courtyard completion; landscaping; and final details. In addition to these projects, we have some hail damage to repair. Stay calm. Stay steady. Stay faithful and hopeful. ****ALL CONTRIBUTIONS TO THE BUILDING FUND BEFORE JULY 26, 2025 WILL BE EXEMPT FROM DIOCESAN ASSESSEMENTS!**

To the Mountains

I'm excited for a venture to Red River, N.M. with my family and a few other destinations the last two weeks of this month. A priest from Food for the Poor will be here for the weekend Masses of June 28-29. Let the Parish Office know if you need something before I leave or during my absence. Thank you.

-Fr. Scott

Stewardship Corner

We are called to live out our stewardship in a powerful and tangible way--by helping those whose lives have been disrupted by the recent storm. Many in our community are facing loss, damage, and uncertainty. As the body of Christ, we have the opportunity--and the responsibility--to come alongside them with compassion and care.

Stewardship is not just about what we give, but how we serve. It's about offering our time to help clean up, our talents to assist with repairs or comfort, and our resources to support those in need. Let us be the hands and feet of Jesus through prayer, donations, or volunteering, every act of kindness reflects the love of Christ.
