

ST. JOHN THE BAPTIST PARISH WINDOW RESTORATION FUND
12 WINDOWS X \$2000 EACH = \$24,000 GOAL

Dear Parishioners,

St. John the Baptist Parish is undertaking an important restoration project to preserve our beautiful church building for future generations.

The exterior wood surrounding our church windows requires scraping, repair, preparation, and painting. This essential maintenance will protect the structure from further deterioration and help preserve the beauty and integrity of our 200+ year old church.

The project involves the restoration of 12 windows at an estimated cost of approximately \$2,000 per window, for a total project cost of approximately \$25,000.

We invite you to prayerfully consider supporting this important project through a special donation. Every contribution, regardless of size, will help us reach our goal.
