

St. Ignatius Youth Ministry

Fall 2022 Events

To Know Jesus Christ

Join us for a year of youth ministry that will involve the whole family. We will begin our exploration of Christ in his very home, meditating on scripture and pictures from the Holy Land in an event open to the whole family. We will then take what we have learned about Christ and incorporate him into our spiritual, intellectual, and moral lives in our weekly youth ministry meetings. All so that we may gain a greater devotion, love and knowledge of our Eucharistic Lord.

**Sept. 20th
7pm-8:30pm**

Parent Meeting and Open House

Parents are invited for an open house at our youth ministry building. We will spend time in fellowship, prayer, and orientation as we discuss what to expect in this upcoming year of youth ministry. Adult beverages and snacks provided!
