

Youth Ministry Mentoring Opportunity

Are you interested in exploring and being mentored in youth ministry? Living our Catholic faith is fundamentally about seeking to be in a deeper relationship with Jesus and then evangelizing what we encounter about Jesus to others. Our STAP Youth Core Team plans and provides weekly experiences to high school teens, helping lead them closer to Jesus, so they might fall in love with him and his message.

Moments that have the greatest impact on lives come when we are in the presence of someone, being authentic and there for him/her. In our youth ministry offerings, we seek to help young people locate their experience of God within the language and experience of the Catholic Church. We then nurture their relationship with Him through practices of living that keep them available to God and others.

Jesus said, **“I came that you may have life and have it abundantly.”** - John 10:10. The deepest purpose for youth ministry is mentoring and modeling what it means to become fully alive.

Pray over the call to become one of our Core Team Members. If you are college age or older and are interested in exploring being a part of a dynamic ministry team, call Deacon Ed Sheffer at [520-577-8780](tel:520-577-8780), extension 111 or Email him at edwardsheffer1@gmail.com.
