## Qualified Tree Farm Inspector Training

**What:** Tree Farm Inspector Training for Washington

**When:** Jan. 26, 2023. 8AM – 12PM (lunch provided)

**Where:** Enduris Ctr., 1610 S Technology Blvd, Suite 100, Spokane, WA. [Go to Board Room](#)

**Who:** Open to all foresters (new inspectors and for previously qualified inspectors NOT CURRENTLY qualified under the *2021 Standards of Sustainability*).

**Why:** Inspectors help get more good forestry on the ground! Benefits include:

- \* Tool for reaching new clients. Depending on the mill, some give premium for ATFS-certified logs.
- \* Become part of the oldest and largest sustainable woodland system in America – the **American Tree Farm System (ATFS)**. Recognize landowners with a cool sign!
- \* Provide mutually-recognized certifying benefits for Sustainable Forestry Initiative (SFI)
- \* Become part of the PEFC, the Programme for the Endorsement of Forest Certification, the largest forest certification system in the world. PEFC endorsement of ATFS enables wood originating on well-managed forests & certified by ATFS to be recognized in the global marketplace, providing access and recognition.
- \* Build relationships with landowners; add value to your service as one of 4,000 forestry professionals.
- \* Demonstrate your employer's commitment to sustainable forestry through local media.
- \* Information on legislative issues - National, State and Local.
- \* Invitation to attend the National Leadership Conference.
- \* Participate in Wesley R. Meier National Outstanding Tree Farm Inspector of the Year Contest
- \* SAF approved CFE credits for workshops 3.5 CFE (Category 1)
