BEATITUDE SERIES

Journey along the way of the Beatitudes
with Servant of God Emil Kapaun

Two months before he was sent into the Korean War, Servant of God Father Emil Kapaun gave a series of reflections on the Beatitudes to his troops. Little did anyone know that these reflections would soon prefigure how he would joyfully pour out his life for them on the battlefields and in the prison camps of North Korea.

The Beatitudes are at the heart of Jesus' teaching. They challenge us to live authentic Christian lives and offer us a joy the world cannot give. You are invited to join us for this 9-part series as we seek to embrace the Beatitudes with Father Kapaun and other men and women like you.
