What is Inner City Law Center?

Inner City Law Center has been serving the poorest and most vulnerable individuals and families in Los Angeles County since 1980. Founded on the basic principle that every human being should be treated with dignity and respect at all times, ICLC provides legal representation and social service advocacy to over 2,000 homeless and working poor clients each year. In the past five years, ICLC has recovered more than $10,000,000 for its low-income clients.
What Services Do We Provide?

The following are services we provide for free of charge:

**SLUM HOUSING:**
ICLC forces slumlords to repair their buildings and to compensate the tenants who have suffered physically and emotionally from dangerous housing conditions.

**EVICTION PREVENTION:**
ICLC prevents homelessness by representing low-income tenants who are facing unlawful evictions.

**VETERANS BENEFITS:**
Approximately 25% of LA homeless are veterans. ICLC helps these veterans apply for the health care and other benefits that they are entitled to because of their military service.

**PUBLIC BENEFITS:**
We provide legal representation to individuals living with HIV/AIDS when they have problems related to their public benefits or housing.
