

As some of you know, White Oaks has partnered with The Decatur Library to form our new Book Club. Our first read was a book about The Lewis & Clark expedition, narrated by the dog that accompanied the two during their exploration. Once a month we take a trip to The Decatur Library for discussion and fun trivia. Ask one of the Activities

Linda's Kids are a vary talented group of piano students that Linda teaches. They played like pros and the residents really enjoyed watching and listening to these young kids perform.
(photo at right.)

The residents visited The butterfly house which was amazing! They were able to walk through and watch different kinds of butterflies in their environment. We also were able to watch butterflies immerse from their cocoons. Some of the butterflies landed on the residents shoulders and hands. At left is Vernabelle looking at the butterfly on her hand.

Above: These two men did an awesome job for their first road show. They are both members of Robin's family, cousin Dick Wright on the drums whose father was here and brother Dan Northrup on the guitar. It was a combination act of music and comedy. Residents hope to see them back!

We also made volcanoes out of clay and watched them erupt in honor of Mount St. Helen's anniversary. Pictured above, **Mary, Phil, Holli & Marjorie** wait for the volcanoes to erupt.

July Birthdays

Residents:

06 Loretta B.
 16 Mary S.
 18 Esther R.
 23 Bea S.
 28 Gerald G.
 28 Theresa G.

Staff:

18 Holli Stern
 18 Patricia Wooden
 24 Sandra Casper
 26 Maryna Quinn

Betty smiles at her Cookie Monster cookie.

Please join us for time with the kids on Friday, July 29, at 1:30 for **Disney at The Oaks**. We will be celebrating Disney California's theme park opening in July 1955.

Also on this day was the premiere of Steam Boat Willie in 1928. We will celebrate with memorabilia, games and Disney trivia.

Children are encouraged to wear a Disney outfit for a fashion show we are presenting.
