

**Abel-Keppy Animal Hospital  
Village Veterinary Clinic  
Abel-Keppy Animal Care Center  
Boarding Reservation Information**

**Things to bring:**

- If your pet eats a special diet please bring a sealed container with his/her own food marked with specific feeding instructions.
  - Any medications your pet may need to receive while boarded. Please label with instructions.
  - In case of an emergency please leave a number to reach you or someone authorized to make decisions about your pet's wellbeing.
  - If your pet has vaccines administered at a clinic other than ours you must bring a copy of current vaccine history. **All pets must have a current negative stool check within the last year.** Dogs need to be up to date on Rabies, Distemper/Parvo, and Kennel Cough. Cats need to be current on Rabies and Distemper. This history can also be faxed to the boarding location where your pet will be staying. Fax numbers are as follows:
    - Abel Keppy Animal Hospital, Bettendorf 563-355-5313
    - Village Veterinary Clinic, Davenport 563-391-2709
- \*Note: pets can be vaccinated upon arrival if needed.

**Things not to bring:**

- Food and water dishes
- Bedding
- Leashes and collars
- Litterboxes or litter

We provide all of the items above during your pet's stay with us. **Clinics are not responsible for any personal items (i.e. blankets, toys) left behind.** If you want to bring your own items, please label them clearly and do not bring your favorites.

**Additional Information:**

- Dogs are kept in size appropriate kennels. For an extra cost you may reserve a larger kennel if requested and available.
- Water is available to pets at all times unless restricted for medical reasons.
- Pets are fed Science Diet Sensitive Stomach unless a special diet is brought with your pet.
- Dogs are leash walked outside 3-4 times a day.
- Bathing and grooming are available upon request before you pick your pet up from boarding! If a haircut is requested please leave instructions for our grooming professionals or a phone number to reach you for instructions. Indicate your pick up time so we can have your pet ready for you when you arrive! Enjoy your fresh smelling pet all the way home! 😊
