

Donation Request

Thank you for requesting a donation from Brighton Eggert Animal Clinic. Because of the volume of requests we receive, we have recently changed the process for donating to organizations.

We have established a committee that meets each quarter to review all requests we have received during that time frame. We take into consideration our mission as a company, along with the values and opinions of our employees. From all the requests we receive, we choose 1 recipient each quarter.

If you would like us to consider you for a donation request, please fax or mail the following information: the organizations name, mission, contact person and phone #, what your fundraiser is, and what you are requesting from us. If you would like a written confirmation that we have received your request, please include an email address with your request.

Our quarterly deadlines are March 31st, June 30th, September 30th and December 31st. You will be notified by mail on or before the 15th of the following month, only if your organization is selected.

Our fax number is 833-4266. Thank you again for thinking of Brighton Eggert Animal Clinic to associate with your organization and cause.
