PLEASE NOTE:

- Check-out time is 2PM. After that time another day of boarding will be charged.**
 - Check-ins will be charged for the entire day regardless of drop-off time.
 - Vaccinations must be current** on all pets to ensure the safety and health of all pets in our care. Required vaccinations include Bordetella, Parvovirus, Distemper, and Rabies for dogs; and Leukemia, Distemper, and Rabies for cats. A negative Heartworm and Fecal test is also required to board. **If your pet is past due on the immunizations he/she will be made current and your account charged accordingly. It is the owner's responsibility to supply us with current information if pet is not normally vaccinated by this clinic.**
 - All pets are given a Capstar upon arrival for their own protection. If your pet is found to have fleas or ticks he/she will have to be bathed and/or treated with both Capstar for quick action and Advantage (charges by weight) for long-term effect. Your account will be charged accordingly.
 - Any dog over the age of 10 years or cat over the age of 12 years is considered geriatric and will be charged an additional nominal amount per day. Geriatric pets receive extra care, are weighed each day and are let out more frequently.
 - If medications are to be administered there is an additional nominal charge per day.
 - Towne North is not responsible for personal belongings left with the pet, although we take every precaution to prevent them from being lost. Please make sure your name is on each item.
- By signing below, I am indicating that I have read and understand the above. I also affirm that I am the owner of the above-referenced pet and am authorized to approve treatments and services.**
