*** ATTENTION ***

1. **Vaccinations MUST BE CURRENT on all pets to ensure the safety and health of all pets in our care.** Please be advised that if your pet is found to need immunizations, he/she will be vaccinated and your account charged according. We require Rabies, Distemper with Parvo, Corona, and Bordetella vaccinations to be up to date, as well as intestinal parasite screening. If vaccinations are given at TNAH, we must examine the pet first, which involves an exam charge. It is the owner's responsibility to supply us with current information if pet is not normally vaccinated by this clinic.

2. If your pet is found to have **fleas or ticks** he/she will be bathed and/or treated with both **Capstar** for quick action and **Advantage (charges by pet's weight)** for long term effect. Your account will be charged accordingly.

3. **ALL FEES ARE DUE AT THE TIME SERVICES ARE RENDERED -**
