## Authorization for Surgery/Dental and Anesthesia

I, \_\_\_\_\_ authorize Towne North Animal Hospital to administer anesthesia and perform surgery on my pet \_\_\_\_\_. I understand there is some risk with any procedure requiring anesthesia but that all precautions will be taken to reduce that risk including a preoperative examination, vital signs monitoring and diligent care during the recovery period.

**Not all health/dental problems are detected on a physical examination. Underlying abnormalities such as prolonged bleeding, anemia, and kidney and liver dysfunction can affect the outcome of surgery and can be detected with some simple blood tests. Although this is done at an additional cost, the doctors at Towne North Animal Hospital strongly recommend that your pet be tested before having anesthesia or surgery.**

**PLEASE** initial all the blanks.

\_\_\_\_ Yes \_\_\_\_ No Do you want the recommended pre-operative blood testing?  
(under 1yr: \$43.50, over 1yr: \$54.50, 7yrs + \$64.50)

\_\_\_\_ Yes \_\_\_\_ No Do you authorize the performance of Dental X-rays of your pet's mouth as needed? (x-rays range between \$27-30 each)

\_\_\_\_ Yes \_\_\_\_ No Oravet Home Kit: This helps seal the teeth to help prevent plaque and tartar, thus, helping to reduce frequency of dental cleanings. (\$39.50)

\_\_\_\_ Yes \_\_\_\_ No Other: \_\_\_\_\_

**While your pet is undergoing an anesthetic procedure we can implant a permanent microchip ID with no discomfort (\$47.00).**

**Do you want the AVID microchip implant?**     Yes     No

**Following recovery your pet may experience some discomfort, so we administer post-operative pain medication as needed. We will dispense medication for your pet based on the severity of pain (at an additional charge between \$19-35).**

***NOTE: In season or pregnant spays will be an additional charge.***

Check appropriate blanks:

Pet is being dropped off the night before surgery.

Time of pet's last meal: \_\_\_\_\_

I would like my pet to stay an extra day after surgery. If yes, please complete the next few questions.

How many times a day do you feed your pet? \_\_\_\_\_ How much? \_\_\_\_\_

Urinating more than usual \_\_\_\_\_

History of seizures \_\_\_\_\_

Allergies \_\_\_\_\_

Currently on any medications?  Yes  No If yes, specify: \_\_\_\_\_

Anything additional you would like to address with the Doctor? \_\_\_\_\_

Phone # \_\_\_\_\_

### \*\*\* ATTENTION \*\*\*

**1. Vaccinations MUST BE CURRENT on all pets to ensure the safety and health of all pets in our care.** Please be advised that if your pet is found to need immunizations, he/she will be vaccinated and your account charged according. We require Rabies, Distemper with Parvo, Corona, and Bordetella vaccinations to be up to date, as well as intestinal parasite screening. If vaccinations are given at TNAH, we must examine the pet first, which involves an exam charge. It is the owner's responsibility to supply us with current information if pet is not normally vaccinated by this clinic.

2. If your pet is found to have **fleas or ticks** he/she will be treated with both **Capstar** for quick action and **Advantage (charges by pet's weight)** for long term effect. Your account will be charged accordingly.

**3. ALL FEES ARE DUE AT THE TIME SERVICES ARE RENDERED. We accept cash, check, credit card, or Care Credit.**

**I have read and understand all of the above.**
