

*Bush Animal Hospital
Employee of the Month
Susan Hudlow
August 2012*

We have been lucky to have Susan's smiling face with us at Bush Animal Hospital since September of 2011. Her positive attitude and ever willingness to help make her a great addition to the front desk staff. Animals are one of Susan's passions, so working with them has been a natural fit. At home, Susan's family includes three beautiful children, a husband, two cats and her most recent addition, Friday the border collie.
