

BUSH ANIMAL HOSPITAL EMPLOYEE OF THE MONTH

This certificate is awarded to

DR. MARY YEAGER

Mary Yeager, DVM

Dr. Yeager joined the Bush team in 2007. Since then she has been a favorite amongst her co-workers due to her amazingly friendly personality and team player attitude. Some of Mary's favorite aspects about being a veterinarian are internal medicine and surgery. When she is not at work, she spends time with her husband, who is also a veterinarian, and children on their mini-farm. They keep chickens for eggs, milk their own dairy goats and manage a large garden, with the goal being to produce the majority of their own food. Their menagerie includes 1 dog, 4 cats, 1 parrot, 4 goats and 10 chickens
