Employee of the Month  
Cleo Greenblat  
June 2012*

Cleo pictured with Zac, Diane Fowler's new puppy.

*Cleo came to Bush Animal Hospital from Lane County Animal Services in October of 2009. Cleo has an amazing knack for handling aggressive dogs, by the end of the exam they are best friends. She illustrates her versatility by excelling as a technical staff member, and at a moments notice, she can seamlessly transition into a receptionist. Cleo has demonstrated she is a true asset to Bush Animal Hospital, time and time again.*

*Thank you Cleo, keep up the good work!*
