To Whom It May Concern:

I would like to take this opportunity to express how pleased I am with Artis Senior Living of Evesham Township, New Jersey.

My mother has been a resident there for a year now and I feel very lucky to have her be a resident there. I am so pleased with every aspect of the facility.

From the administrators down to the women who clean up the kitchen after meals and even the maintenance man, everyone is terrific and most importantly, so **CARING!** I have not left there one night, since I placed my mother there, that I have ever worried or doubted about my decision.

My family is blessed to have found Artis Senior Living of Evesham Township, New Jersey!

Sincerely,

Michelle Dickerman
Daughter of resident,
