Let's Spring into Action

Spring is a time to celebrate the beautiful weather we're going to have! Let's **Spring into Action** by enjoying it with friends and laughter here at Roseville Commons. We have a lot of fun on its way this month. Spring is a great time to clean your patio/balcony and get rid of old boxes, plants and bird seeds. Don't forget to dispose of old medicine or food from your cabinets and refrigerators, it's especially important to remove clutter off your floor to keep from tripping and falling. It's also a great way to spring into action for our upcoming unit inspections this month.

Commons Area Etiquette

We need your help once again!

The importance of a positive first impression for our guests, residents, family and friends is likely the reason people come to live at Roseville Commons. You never get a second chance to make a first impression. Please be mindful in our common areas that it is not permitted to sit on the table tops nor the arms of the couches, **I am concerned especially for your own safety.** Please do not put your feet on the furniture, and taking a nap in your own apartment is a great idea not in the common areas. Keeping our community looking neat and clean is also a part of our **residents' responsibility by helping to pick up your coffee cup, napkins, and clean up your spills** and not leaving magazines and personal giveaways on the hallway tables. If you pull out a chair to turn it around to sit once you are done **PLEASE!** turn it back around to the table. We all want Roseville Commons to look warm and cozy and clean at all times. I appreciate everyone's help on making Roseville Commons look wonderful and inviting.

Happy Spring ☺

Marketing Moments

When you think about the month of April, do thoughts of Easter or income taxes come to mind? There's a lot more to April than cellophane grass or the 1040 here at Roseville Commons ...

Invite your family and friends to our Spring Eggs-travaganza Open House on Saturday, April 8th, it starts at 11:30 am.

Free hot dogs, chips, soft drinks plus games, a balloon twister, face painting ~ fun for all! An Easter egg hunt for kids 2 – 6 years old

plus a special appearance by the Easter Bunny and topped off with entertainment at 1:00pm by our very own Charlie Hull. Don't miss a moment!

Shop for Spring jewelry, enjoy an icy cold Root Beer float while meeting and greeting your neighbors, and take a moment on the 28th to view and appreciate the artistic talents on display during our 1st Annual Residents Art Show.

Do you have a friend or relative that you'd love to have as a neighbor? If so, drop by the office and see me. I'll extend a personal invitation to him/her to tour our fantastic community and enjoy a complimentary brunch with you. 60 days after their move-in, a \$750.00 credit will be applied against your next month's rent.

GET REWARDED

That's better than an Easter basket full of chocolate!

Happy Spring!

Who's ready to place some bets?

The Kentucky Derby is right around the corner, I have spoken with Michael from the Golden Gate Fields in Berkeley, Michael has offered the residents at Roseville Commons a great rate of \$35.00 per person. The fee includes parking for

our bus, admission, daily racing program lunch and reserved seating at the Turf Club restaurant. The Prime Rib buffet lunch

will include tax/tip for the servers and a race named in honor of our community. Once we have 10 people who have signed up and prepaid, I can reserve our spot.

The Golden Gate Fields has been entertaining people with the exiting horse races for 75 years, with its specular views of the Bay area. The Turf Club is perched on the top level of the grandstand and offers an elegant, yet casual, dining experience for you and your guests. We will have our reserved tables and enjoy the panoramic views of the track and the San Francisco Bay.

I'm hoping we will have enough residents and or your family and friends to sign up for this adventurous day at the races. If you would like to go on this Friday outing please contact me @ 916-786-0369, or come and visit me in my office located on the first floor by the laundry room. I will be going over all the details about this event during my *Activity Talk* on Saturday April 1st at 1:00 pm in the Rose Room.

Calling all Artists & Crafters

Hello Everyone,

Last month I posted that we were thinking of having an art show, well we set a date. Friday April 28th, we will be having our first Resident Arts & Crafts Showcase in the Rose Room from 1:00-3:00 pm. If you are interested in displaying your works of art, please contact me at @ (916) 786-0369 or stop by my office, so I know how many tables we will need to have arranged. This is going to be a fun event, we will be serving wine, cheese, crackers and chocolate. Invite your friends and family to come enjoy this afternoon event.

Scooters & Walkers Important Notice

Please do not leave your scooter or walker in the lobby area when you leave the building. During the day, please be sure that your walker or scooter is parked as close as possible to your

front door, next to the wall and not out in the hallway for your safety and that of others. Walkers and scooters are not permitted in the hallways at night. There are still a few lead foot drivers in our community.

Please slow down while in the building before someone gets hurt.

Thank you,

Management

Culinary Corner

Hello Roseville Residents,

Spring is in the air, and so are the aromas from the kitchen! Please invite your friends and family for a wonderful Easter Brunch this year. We will be featuring a moist Poached Salmon Filet with a White Wine Shrimp Cream Sauce AND an Easter Honey Baked Ham! This will be paired with delicious, creamy Parmesan Scalloped Potatoes and a vegetable medley of Asparagus, Summer Squash, Carrots, Cauliflower and Red Bell Peppers. We hope to see you and your loved ones there!

It has been brought to my attention that, at times, personal cell phones are causing small disturbances in the dining room, and I'd like to take a moment to address it. In consideration of our residents' dining experience, we would like to ask that you put your cell phone on silent/vibrate when entering the dining room, so as not to disturb other residents at

your table or the tables around you. Also, if you do receive a phone call in the dining room, it would be considerate to take your call in the lobby, so that you can better hear your conversation and not have to raise your voice over the hustle and bustle of the dining room. We appreciate your cooperation in this matter.

Last month we made a management change in the dining room that you may have noticed, and I have received many questions regarding it. One of our Dining Room Supervisors, Kelly Vance, requested to be moved to a part time, serving position only, and in her stead, we have promoted Goldlue Vang to the Dining Room Supervisor position. Goldlue has done an excellent job so far, and Kelly will continue to be a great resource and cornerstone of the team.

Thank you all for your cooperation in making the dining services at Roseville Commons a success!

Sincerely,

Chef Brian
