at Maplewood at Newtown

Healthful care. Dedicated staff.
Exceptional lifestyle choices.

Maplewood at Newtown provides a healthy, invigorating environment for all seniors as well as specialized assistance for those in need of memory care. The heart of Maplewood is embodied through Vistas™, an approach to assisted living that offers premier care to seniors who need some support in their everyday lives. For residents showing early signs of memory loss, Tides™ provides a safe environment in which to live a life of supported independence. In addition, each and every one of our associates has been trained in the HEART™ approach, an emotion-based philosophy of care that teaches them how to deliver the best possible experience for seniors and how to relate to them as people, not patients.

Impeccably designed for residents and families alike.

Maplewood at Newtown has much to offer residents and families—from the sunlit lobby and resort-style courtyards to the helpful concierge service and family-friendly country store. Thoughtfully laid-out apartments designed specifically for older adults are beautifully appointed and feature a modern kitchenette with granite countertops, private bathroom (many with universal access) and state-of-the-art safety features. Common areas—such as the Sunset Pub and movie screening room—are perfect for family visits.

This is the way food is meant to taste! By using local ingredients, farm-fresh flavor accents every dish.

Uniquely Newtown.

Maplewood at Newtown is not part of a “chain” of senior living residences—we’re a unique part of the local community. Our savory menus feature selections from nearby farms and are delivered to our chefs daily, while our breads come fresh from a favorite area bakery. Our affiliation and active involvement with the Connecticut Alzheimer’s Association ensure that our memory care program keeps up with the latest advances.

Residents have access to nearby hospitals for expert medical care. For added peace of mind, residents can opt to have our on-site, visiting physicians oversee their health and wellness.

An abundance of life, health and community.

Comfort and style...vibrancy and convenience. Maplewood at Newtown provides that and more in abundance. **Schedule your personalized Welcome Visit by calling 203.426.8118 or visit our website at www.MaplewoodAtNewtown.com and discover what makes Maplewood at Newtown special.**
