at Maplewood at Orange

Healthful care. Dedicated staff.
Exceptional lifestyle choices.

Maplewood at Orange provides a healthy, invigorating environment for all seniors as well as specialized assistance for those in need of memory care. The heart of Maplewood is embodied through Vistas™, an approach to assisted living that offers premier care to seniors who need some support in their everyday lives. For residents showing early signs of memory loss, Tides™ provides a safe environment in which to live a life of supported independence. Currents™ helps residents who benefit from a more structured environment. In addition, each and every one of our associates has been trained in the HEART™ approach, an emotion-based philosophy of care that teaches them how to deliver the best possible experience for seniors and how to relate to them as people, not patients.

Impeccably designed for residents and families alike.

Maplewood at Orange has much to offer residents and families—from the spectacular 110' waterfall and resort-style courtyard to the helpful concierge service and cozy bistro café. Thoughtfully laid-out apartments designed specifically for older adults are beautifully appointed and feature a modern kitchenette with granite countertops, private bathroom (many with universal access) and state-of-the-art safety features. Common areas—like a tavern and movie theater—are perfect for family gatherings.

Maplewood at Orange offers deluxe, modern apartments, colorful gardens and a convenient location.

Uniquely Orange.

Maplewood at Orange is not part of a “chain” of senior living residences—we’re a unique part of the local community. Our savory menus feature poultry, beef, fish and dairy products from farms throughout Connecticut, and get delivered to our chefs daily. Our affiliation and active involvement with the Connecticut Alzheimer’s Association ensure that our memory care program keeps up with the latest advances.

For expert medical care, we’re just minutes from world-class medical centers including Yale-New Haven Hospital and the Hospital of Saint Raphael.

An abundance of life, health and community.

Impeccable to the last detail, Maplewood at Orange offers a refreshing take on senior living. **Come and discover for yourself by scheduling your personalized Welcome Visit today. Call 203.795.3117 or visit our website at www.MaplewoodAtOrange.com.**
