Healthful care. Dedicated staff.  
Exceptional lifestyle choices.

*Maplewood at Strawberry Hill provides a healthy, invigorating environment for all seniors as well as specialized assistance for those in need of memory care. The heart of Maplewood is embodied through Vistas™, an approach to assisted living that offers premier care to seniors who need some support in their everyday lives. For residents showing signs of memory loss, Tides™ provides a safe environment in which to live a life of supported independence. Currents™ helps residents who benefit from a more structured environment. In addition, each and every one of our associates has been trained in the HEART™ approach, an emotion-based philosophy of care that teaches them how to deliver the best possible experience for seniors and how to relate to them as people, not patients.*

**Impeccably designed for residents and families alike.**

Maplewood at Strawberry Hill has much to offer residents and families—from the welcoming, sun-filled lobby to the al fresco dining area. Thoughtfully laid-out apartments designed specifically for older adults are beautifully appointed and feature a modern kitchenette with granite countertops, private bathroom (many with universal access) and state-of-the-art

safety features. Though Maplewood is vibrant and full of energy, there are plenty of special spots perfect for intimate family visits, including sumptuous gardens and alongside relaxing water features.

Maplewood offers farm-fresh food, attentive service and beautiful design.

### Uniquely Strawberry Hill.

Maplewood at Strawberry Hill is not part of a “chain” of senior living residences—we’re a unique part of the local community. Our savory menus feature poultry, beef, fish, dairy products and baked goods from area farms and bakeries, and get delivered to our chefs daily. Our affiliation and active involvement with the Connecticut Alzheimer’s Association ensure that our memory care program keeps up with the latest advances.

We’re also located close to area hospitals and medical offices. For added peace of mind, residents can opt to have our on-site, visiting physicians oversee their health and wellness.

### An abundance of life, health and community.

As the sparkling new gem in a family-friendly neighborhood close to the Norwalk-Westport line, Maplewood at Strawberry Hill is one of a kind. **Schedule your personalized Welcome Visit today by calling 203.220.9600 or visit our website at [www.MaplewoodAtStrawberryHill.com](http://www.MaplewoodAtStrawberryHill.com).
