living

at Maplewood at Darien

Healthful care. Dedicated staff.
Exceptional lifestyle choices.

Maplewood at Darien provides a healthy, invigorating environment for all seniors as well as specialized assistance for those in need of memory care. The heart of Maplewood is embodied through Vistas™, an approach to assisted living that offers premier care to seniors who need some support in their everyday lives. For residents showing signs of memory loss, Tides™ provides a safe environment in which to live a life of supported independence. Currents™ helps residents who benefit from a more structured environment. In addition, each and every one of our associates has been trained in the HEART™ approach, an emotion-based philosophy of care that teaches them how to deliver the best possible experience for seniors and how to relate to them as people, not patients.

Impeccably designed for residents and families alike.

Maplewood at Darien has much to offer residents and families—from the stunning, light-drenched two-story atrium to the ultra-attentive concierge service and four-star spa. Thoughtfully laid-out apartments designed specifically for older adults are beautifully appointed and feature a modern kitchenette

with granite countertops, private bathroom (many with universal access) and state-of-the-art safety features. Common areas—like a pub and bistro café—are perfect for all kinds of family gatherings.

Offering only the best amenities and services.

Uniquely Darien.

Maplewood at Darien is not part of a “chain” of senior living residences—we’re a unique part of the local community. Our savory menus feature poultry, beef, fish, dairy products and baked goods from area farms and bakeries, and get delivered to our chefs daily. Our affiliation and active involvement with the Connecticut Alzheimer’s Association ensure that our memory care program keeps up with the latest advances.

We’re also located close to area hospitals and medical offices. For added peace of mind, residents can opt to have our on-site visiting physicians oversee their health and wellness.

An abundance of life, health and community.

Incomparable to the last detail, Maplewood at Darien offers senior living of the highest level. Discover perfection for yourself and **schedule your personalized Welcome Visit today. Call 203.202.9883 or visit our website at www.MaplewoodAtDarien.com.**
