

SUPPORT GROUP FOR FAMILIES OF PEOPLE LIVING WITH ALZHEIMER'S & DEMENTIA

We are proud to once again partner with this wonderful community of Boulder City.

We would like to invite you to join us on Saturday January 14, 2017 at 1:00 PM for our Alzheimer's support group here at Lakeview Terrace an established Assisted Living & Memory Care Community. Lakeview Terrace Assisted Living has been proudly serving the community since 2009.

The support group will be facilitated by Julie Liebo the Administrator of Lakeview Terrace who has been trained by the Alzheimer's association.

We encourage you to bring your loved ones with you to our support group and our well-trained memory care staff will care for your loved ones while you get the valuable support that you deserve.

Caring for a person with Alzheimer's disease can have high physical, emotional, and financial costs. Becoming well-informed about the disease is one important long-term strategy. Programs that teach families about the various stages of Alzheimer's and about ways to deal with difficult behaviors and other caregiving challenges can help.

Good coping skills, a strong support network, and respite care are other ways that help caregivers handle the stress of caring for a loved one with Alzheimer's disease.

Please RSVP to our office at 702-293-0181 or drop in for more information at 180 Ville Drive Boulder City, NV 89005.
