Mother Teresa

Mother Teresa, aka Saint Teresa of Calcutta in the Catholic Church, was a Roman Catholic nun and missionary. Mother Teresa lived in Macedonia for eighteen years prior to moving to Ireland then India.

She founded the Missionaries of Charity, a Roman Catholic religious congregation which had over 4,500 sisters and was active in 133 countries as of 2012. Her vow to help those who are sick, the poor and hungry, children and families was recognized around the globe. She was praised for her unrelenting charity work and managing the homes for individuals dying of HIV/AIDS, leprosy and tuberculosis. She began her missionary work in 1948 and later received basic medical training in Patna, India at the Holy Family Hospital. She said in an interview, "By blood, I am Albanian. By citizenship, an Indian. By faith, I am a Catholic nun. As to my calling, I belong to the world. As to my heart, I belong entirely to the Heart of Jesus." Mother Teresa left us to join Jesus on September 5, 1997.

Outreach Day

We are going on a fieldtrip to THE FRONTIER HOUSE bringing joy to many elders on September 29th. We are planning an Ice Cream Social for the residents who live there and we are so glad to have an opportunity to share stories, and visit with longtime friends.

It is also exciting to have a special visit where we can chat with our past Majestic Rim residents who are enjoying life at Frontier House.

Ms. Eleanor, you are lovely and a joy to all who know you. And, our lovely Ms. Pat, your smile brightens our world. See you both on the 29th.

For more information about the Majestic Rim Outreach Program, contact Jeannie White, Resident Services Coordinator at 928.474.3912. The Outreach Program provides an outlet for residents and staff to contribute to the lives of others through social interactions, financial donations and group activities.
