Waltonwood Ashburn Senior Living Community Hosts Food Drive in Support of National Nutrition Month

What: In recognition of National Nutrition Month, Waltonwood Ashburn is partnering with the Community Church. Community Church operates Messiah's Market, a unique, self-selection pantry that helps provide families with nutritious meals. National Nutrition Month is focused on ensuring that people of all ages have adequate food and nutrients vital to their body's well-being. The local food banks provide meals to about 12 percent of the local population. Oftentimes, seniors facing economic challenges and living on a fixed income are forced to decide between groceries or prescription medication, which can be extremely costly. The food drive kicks off March 1 and will continue throughout the month to help support families and seniors in the local community.

The Waltonwood Ashburn team is asking the public to stop by with food donations to make a difference in the lives of those in need. All non-perishable items will be accepted, however, there is an urgent need for the following items: jelly, cereal, rice, canned fruit, and ready-made soups.

Waltonwood Ashburn is dedicated to supporting various groups in the area in which positively impact the lives of residents of all ages. This partnership is the first of many in which the community will actively team up with another organization to support people who live in the area. The Waltonwood Ashburn team is committed to giving back and encourages the public to donate greatly needed food items. The team will hand deliver the items each week to Community Church.

ABOUT WALTONWOOD ASHBURN

Waltonwood Ashburn is currently under construction and plans to open in the second half of 2017. The boutique community will feature 114 independent living apartment homes, 72 assisted living apartments and 27 memory care apartments (mix of private studios, one- and two-bedroom) for up to 270 residents. Located in Northern Virginia just minutes from the Potomac River and about 45 minutes from Washington D.C., the 287,000-square-foot community will sit on 14.5 acres. At Waltonwood Ashburn, residents have the opportunity to enjoy a worry- and maintenance-free life filled with friends and all the luxury amenities they deserve.

In 1973, Gurmale Singh Grewal, along with his brothers Lushman and Jeat, established Singh as a family-owned company. Since that time, Singh has remained multifaceted in real estate development, with a strong foundation in luxury apartments, commercial properties, land development, high-end single family homes and, for nearly 30 years, senior living communities which have been branded "Waltonwood." The vertical integration of the company, which provides for development, construction, finance and management all under one umbrella, allows Singh to remain poised for new opportunities in expanding markets. All projects are wholly owned by Singh and continue to be owned and managed by Singh.

With regional offices in Cary, N.C., Singh has made a strong commitment to the expansion of its brand into the southeast markets.
