

Dear Mr. Helfrick,

We wanted you to know how much we appreciate Esther and Mary Lee who manage the Port Orchard Reliable Storage Site. We started working with them last November to find a storage site for our motor home. Then we rented a storage unit for our household goods. Now we are moving our motorhome to the new covered storage. We have had many contacts by phone and in person with Esther and Mary Lee over the last 9 months. In every instance, they have been helpful and welcoming. Because of Esther and Mary Lee, we would recommend the Port Orchard site to anyone looking for household or motorhome storage. We actually look forward to stopping in at the office when we have a question, because of their positive and welcoming attitudes.

Sincerely,

La Vonne and Doss Bradford
