Question: Can you decipher the titles of two popular holiday songs using these descriptions: "Festoon the Corridors" and "A Non-Summer Fairytale Area"?

Answer: "Deck the Halls" and "Winter Wonderland."

This HALLOWEEN was a great time to celebrate with your family....don't you agree Miss Fitz? *So adorable* aren't they? We know that the Big Bad Woof didn't Huff and Puff and Blow your house down for sure! He was having too much fun at the party too.

Remember When: Wooden Sleds

For generations of children, the combination of a winter snowfall and a nearby hill made for a day of sledding fun. One of the most popular means of riding the snowy slopes was aboard a Flexible Flyer. The iconic wooden sled with its eagle logo, red metal runners and hardwood seat slats was famous for a revolutionary feature—a flexible front-end steering bar that allowed the rider to control their course. Created in 1899 by a New Jersey manufacturer, millions of the sleds were sold up until the 1980s.

On Saturday, November 10th, our lobby was transformed into a ballet stage, and we were delighted with the beautiful music and dancing from **Tchaikovsky's Nutcracker Suite** by the lovely and talented young ladies of the **DIAMOND BALLET DANCE COMPANY**.

As we heard the story of the Nutcracker unfold through the narration we watched as the beautiful dancers in their gorgeous costumes, twirled around the room with such gracefulness and talent! The Dance of the Sugar Plum Fairies was wonderful. One of the lovely ballerinas was so flexible she was able to tap the tambourine she was holding in her hand with her foot! The angels were adorable, and each dancer was so special and delighted us all. What a wonderful Holiday treat!
