## Pennsauken Library: 2016 Taxes

If you need to get your 2016 taxes done AARP will do them for free at the Pennsauken Library. Our bus provides transportation to and from the library as indicated on the monthly calendars. Although this service is free it is done on a first come first serve basis. You should bring all paperwork, receipts, W2's and ID. The AARP Tax preparation begins at 1:00pm so the Ivystone bus will depart at 12:30pm on Wednesday February 22, 2017.

## Format Change

This month you have no doubt noticed a change in the printing size of the monthly calendars. Going forward this will continue to be our new format. The newsletter is now combined with the monthly calendar. Next month the newsletter will be printed both on the front and back of the paper.

## Welcome Committees

The Welcome Committees from Assisted Living and ALP are always looking for more people to join and help new residents acclimate to the community. If you are interested in participating please attend the monthly meeting on Thursday February 16, 2017 at 3:00pm in the Media Room.

## Quilting 101

The ladies who participated in the Quilting 101 class showed their finished projects on Wednesday January 25, 2017 during the Wine & Cheese Social. Great job ladies!
