Valentine's Day King and Queen of Hearts 2017

February let cupid shoot his arrow in the air and a King and Queen of Hearts were crowned. The King, Thurman Burroughs and his Queen, Cheryl Womack makes a fetching couple as they hold court for the next year. Thurman and Cheryl have been a couple for quite some time and were delighted at their "coronation." Their song, A House is not a Home, by Luther Vandross filled the air and brought tears to Thurmans eyes. Congrats you Love Birds.

We will be discussing plans for a Volunteer Recognition in April and are looking for input into the recognitions within the community and for volunteers from the Pennsauken community who come in such as the numerous churches and Betty the bingo lady.
