2017**

A Note from the Executive Director

Dear Residents and Families,

Can you believe it? We only have four more months of 2017!! I would like to first thank those of you, there are many, that have taken the time to review us on Reputation.com. In our digital age, those searching for a home for their loved ones, look at reviews on communities to help them make the very hard decision to move their loved ones into a community.

I would like to proudly introduce the newest addition to our management team: Please welcome Ronda Wilkin as our new Community Relations Director. She comes to us with over 15 years of senior care experience and professional connections throughout the industry. Ronda's mother is also suffering from Alzheimer's, living in an assisted living community, making Ronda the perfect person to join our family, as she is truly living the story of most of our incoming residents and their loved ones. Stop by her office anytime, she would love to meet you all.

As many of you know, we had a 13 hour power outage July 8th. The entire team of staff and management pulled together beautifully to help keep our residents cool and safe. The evening went by without any major issues. We were very grateful that our generator purred for the entire 13 hours, giving us light in public areas and power to the closet that provides power to our cameras and internet. We did, however, lose the ability to use the phones, that was a point of concern.

During a power outage only please call 818-576-9613.

Please let me know if you have any questions.

Emergency Lights

Please see insert of recommended emergency lights. We are asking all incoming residents and current residents or their loved ones to purchase two emergency lights- one for the room and one for the bathroom.

We have sent out examples for you to choose from with our billing, the range for the lights run between \$10 and \$12.

Beauty Shop- Due to some appointment miscommunications we ask that you contact Zarah our beautician directly to set up appointments with your loved ones.

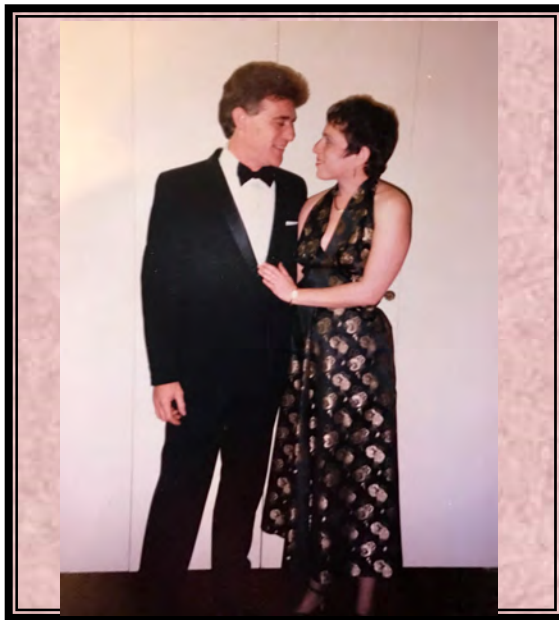

Her number is (818) 3687 - 4108 or (818) 624 - 6594

Go Green- Let us know that you would like our newsletter and calendar by email only.

Thank you all for your continued support,

Cristina Gutierrez
Executive Director

Who am I?

Welcome to Our Community

Fr. Dan of Our Lady of
Lourdes.
Holy Communion are offered
every Friday morning.

Who Am I?

(answer)

I've been married to my wife Camille for almost half of my life! We met at the building supply store where I worked. Camille and her mom were trying to decide on a garden fixture. I told Camille's mom, "Don't worry...if the fixture doesn't work out, just send it back with your daughter. I'll take her out for dinner." Camille returned the fixture, and exactly two years later we got married. We have two daughters together, Elizabeth and Elana. The entire family loves animals. Over the years, we have made pets of everything from silk-worms, black widow spiders, grasshoppers, tadpoles, and tree frogs to dogs, guinea pigs, and several rabbit litters. At the moment, we have a small white dog named Teddy and a box turtle named Tomato.

I am..... Gene Simon
