

MARCH 13 – APRIL 8, 2019

FREQUENTLY ASKED QUESTIONS

WHAT IS A BRACKET?

A bracket is comprised of teams that have qualified to participate in the NCAA Men's Basketball Tournament. The single-elimination tournament results in two teams competing in the Championship Game on Monday, April 8, 2019. To fill out your bracket, simply select the teams that you think will win each game during the tournament up to the Championship Game. If you are a basketball novice, you can use either our PICK FOR ME button to fill out your bracket with randomly selected teams or our FAVORITES button to fill out your bracket with the highest-seeded teams. Regardless of how you fill out your bracket, be sure to click SUBMIT after you are done to ensure that your bracket is recorded in the system.

WHAT IS THE "BUSTED BRACKET BONUS"?

As is often the case in any tournament, upsets take place that make subsequent bracket picks wrong. The term used for when this happens is that a bracket is "busted." Because we expect this to happen for many players, we created the Busted Bracket Bonus, which allows you to fill out a new bracket that includes all of the remaining teams and games in the tournament up to the Championship Game. This new bracket gives you another chance to win, with a separate prize pool for the highest-scoring brackets at the end of the tournament.

Absolutely! By playing the *Million Dollar March Mania Challenge* online games daily, you will earn entries into the Championship Game Drawing on April 8. The more you play, the entries you earn!
