GETTYSBURG LEADERSHIP EXPERIENCE

BY FCC SERVICES

RETREAT & RESILIENCE

The **Gettysburg Leadership Experience** advanced program is designed to help leaders such as you prepare effectively for organizational set backs and reposition more rapidly when they occur. It leverages the lessons you learned during your first session at Gettysburg and integrates new knowledge of Lee, Lincoln and their courses of action. It positions you to guide both people and processes during times of intense challenge. **It's the experience you need for these changing times.**

This advanced experience is your opportunity to:

- ★ **Return** to the battlefield with other GLE veterans for an advanced leadership experience
- ★ **Reflect** on the importance of leadership in dealing with adversity and failure
- ★ **Revisit** the Transactional and Transformational models of leadership in times of change of circumstance
- ★ **Network** with other GLE veterans to leverage past/present/future connections

RETURN. *transform.*

MAPPING YOUR NEXT EXPERIENCE

Most visitors or programs conclude their experience at Gettysburg with the defeat of Pickett's Charge on July 3, 1863. The more complete story continues through the following day, July 4, 1863—literally “four score and seven years” after the signing of the Declaration of Independence. Both the Army of Northern Virginia and the Army of the Potomac were still intact with many of the same players and leaders at the helm. Both armies, however, were facing new realities of victory and defeat.

In the space of an afternoon, the Army of Northern Virginia believed they could win the war, only to be dealt a catastrophic strategic loss. The Army of the Potomac, facing the possibility of defeat on the battleground, is now ultimately in a position to end the war. **The Gettysburg Campaign would continue for 10 additional days.**

The two-day program is highly interactive and includes:

DAY 1 — LEE'S RETREAT

- ★ The Walk of Reversal: *Facing the Reality of Failure*
- ★ Leadership in Adversity: *Contemporary Clausewitz*
- ★ Retracing the Retreat: *Finding Strength in Survival*
- ★ Reflection: *Restoring Balance*

DAY 2 — LINCOLN & LEVEL 5

- ★ The Paradox of Level 5 Leadership: *Was Lincoln a Level 5 Leader?*
- ★ Strategic “Silver Linings”: *Assessing Strengths in the Aftermath*
- ★ Higher Purpose: *Identifying Leaders*
- ★ Reflection: *“The Unfinished Work”*
