## GETTYSBURG<sup>®</sup> LEADERSHIP EXPERIENCE

POWERED BY FCCS

### WOMEN OF DISTINCTION AT GETTYSBURG A LEADERSHIP EXPERIENCE LIKE NO OTHER

Set against the backdrop of Gettysburg—a place defined by courageous decision-making—this immersive experience invites women to explore the power of leadership through conversations, reflection, and community.

More than a leadership program and light years beyond a history lesson, it's a transformational journey to gain clarity, courage, and connection. Through storytelling, historical insight, and meaningful dialogue, we'll explore what it means to lead authentically, boldly, and with lasting impact. You'll leave not just inspired, but equipped—with a deeper understanding of yourself, your purpose, and the legacy you want to lead. And a network that helps you get there.

#### By participating in the Women of Distinction experience, attendees will:

- ★ **Clarify their leadership voice** and define what it means to lead with authenticity and impact.
- ★ **Explore the dual role of leader and follower**, and how to navigate each with confidence and intention.
- ★ **Strengthen strategic relationships and networks** through interactive dialogue and shared experience.
- ★ **Apply leadership lessons from history** to modern-day challenges—learning how bold decisions are made under pressure.
- ★ **Identify personal and organizational “high ground”**, and how to lead from that space with conviction.
- ★ **Reflect on legacy and purpose**, gaining a renewed sense of direction and motivation.

LEAVE INSPIRED, EQUIPPED, AND RENEWED –

*ready to lead from your highest ground.*
